Re: Winterville, GA

Dear Mr. DeLeon:

Enclosed for your review is correspondence received by the Federal Coordination and Compliance Section of the Civil Rights Division, U.S. Department of Justice (DOJ) from Ms. (b) (6) Privacy of Winterville, GA. Ms. (b) (6) Privacy alleges that in 1999 after her (b) (6) Privacy was diagnosed with (b) (6) Privacy, industrial toxicants were discovered in her well. She further alleges that neither state nor federal agencies took action to remedy this.

The matter does not appear to be within the jurisdiction of our office. However, because Ms. (b) (6) Privacy's complaint raises the issue of toxicants in her well water, it falls within the jurisdiction of your office and, therefore, we are referring it to you for appropriate disposition. We have referred Ms. (b) (6) Privacy's allegations about the Agency for Toxic Substances and Diseases Registry to the U.S. Department of Health and Human Services. The writer has been notified of the referrals.

Please keep us apprised of this matter. Thank you for your assistance in this matter.

Sincerely,

Deeana Jang
Chief

Federal Coordination and Compliance Section
Civil Rights Division
